12. NOTE ON TAXATION

12.1. General

- 12.1.1. Securities transaction tax will not be applicable to the Equity Shares accepted in this Offer.
- 12.1.2. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is liable to income-tax in India on his/her worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act, 1961. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which accrues or arises or is deemed to accrue or arise in India) as also income received by such person in India. In case of shares of a company, the source of income from shares will depend on the 'situs' of such shares. As per judicial precedents, the 'situs' of the shares is where a company is 'incorporated' and where its shares can be transferred.
- 12.1.3. Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be 'situated' in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.
- 12.1.4. Further, the non-resident shareholder can avail beneficial treatment under the Double Taxation Avoidance Agreement ('DTAA') between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions including but not limited to (a) conditions (if any) present in the said DTAA read with the relevant provisions of the Multilateral Instrument ('MLI') as ratified by India with the respective country of which the said shareholder is a tax resident and (b) non-applicability of General Anti-Avoidance Rule ('GAAR') and (c) providing and maintaining necessary information and documents as prescribed under the IT Act.
- 12.1.5. The IT Act also provides for different income-tax regimes/rates applicable to the gains arising from the tendering of shares under the Offer, based on the period of holding, residential status, classification of the shareholder and nature of the income earned, etc.
- 12.1.6. The Public Shareholders may be required to undertake compliances such as filing an annual income tax return, as may be applicable to different categories of persons, with the income-tax authorities, reporting their income for the relevant year.
- 12.1.7. The summary of income-tax implications on tendering of listed equity shares is set out below. All references to equity shares herein refer to listed equity shares unless stated otherwise.

- b) In the case of FIIs/FPIs, LTCG would be taxable at 10% (plus applicable surcharge and health and education cess) in accordance with provisions of section 115AD of the IT Act (without benefit of indexation and foreign exchange fluctuation).
- c) For a NRI who is governed by the provisions of Chapter XII-A of the IT Act, LTCG would be taxable at 10% (plus applicable surcharge and health and education cess) under Section 115E of the IT Act on meeting certain conditions. While computing the LTCG, the benefit of indexation of cost may not be available.
- d) For a resident Public Shareholder, an option is available to pay tax on such LTCG at either 20% (plus applicable surcharge and cess) with indexation or 10% (plus applicable surcharge and health and education cess) without indexation.

12.4.8.
